

Maifest Food

Several people have asked about the food served at the *Maifest Celebration*. The meat, cold cut/cheese trays, bread and and bratwurst came from Ted's Meat Market at 5660 Bay Road in Saginaw.

Brats were browned on a charcoal grill and then simmered in a mixture of beer, water and chicken broth with fresh thyme and sliced onion added.

The rest of the recipes came from *The Food Network*.

We did the German Chocolate cake as a sheet cake instead of a roll. Here's the recipe used.
